

**This week, once again, many CSQ colleagues will use their first strike action in support of the collective agreement renewal negotiation.**

This Wednesday, April 28, 2021, teaching, support and professional staff working for the Kativik School Board will be on strike all day.

The following day, Thursday April 29, 2021, school network professionals, members of various unions affiliated with the *Fédération des professionnelles et professionnels de l'éducation du Québec* (FPPE-CSQ), will be on strike during the morning.
